

## Talks &amp; Presentations

- **“Zero-point Quantum Fluctuations in Cosmology”** *Invited seminar at Max Planck Institute for Nuclear Physics (MPIK), Heidelberg, Germany (Jan 2012)*
- **“Early Dark Energy from Zero-point Quantum Fluctuations” (Poster)** *The Dark Universe Conference, Heidelberg, Germany (Oct 2011)*
- **“Helical magnetic fields from inflation and their evolution”** *Invited seminar at University of Bielefeld, Germany (Jun 2011)*
- **“Helical magnetic fields from inflation and their evolution”** *Progress on Old and New Themes in cosmology (PONT), Avignon, France (Apr 2011)*
- **“Dark energy perturbations and parameterisations of modified growth”** *TH Cosmo Coffee, CERN, Switzerland (Jan 2011)*
- **“Helical magnetic fields from slow roll inflation”** *14th Journée des Lacs Alpains de Cosmologie, CERN, Switzerland (Oct 2010)*
- **Discussion co-chair: “Dark Energy parameterisations”** *Benasque Workshop on Modern Cosmology: Early Universe, CMB and LSS, Benasque, Spain (Aug 2010)*
- **“Testing cosmic acceleration beyond the equation of state”** *Swiss Euclid/SINERGIA Meeting, ETH Zurich, Switzerland (Jul 2010)*
- **“Measuring Early Dark Energy with CMB lensing & cosmic shear tomography”** *Cosmology and Particle Physics Seminar, University of Geneva, Switzerland (Oct 2009)*
- **“Constraints on Early Dark Energy from CMB lensing & cosmic shear tomography”** *‘The Unity of the Universe’ conference, ICG Portsmouth, UK (Jun 2009)*
- **“Magnetic Fields in Radiation Era”** *Internat. Conference on Cosmological Magnetic Fields, Monte Verità, Ascona, Switzerland (Jun 2009)*
- **“Constraints on Early Dark Energy from CMB Lensing”** *Group Meeting, ICG Portsmouth, UK (Apr 2009)*
- **“Constraints on Early Dark Energy from CMB Lensing”** *Invited seminar at Institute of Theoretical Astrophysics, University of Heidelberg, Germany (Apr 2009)*
- **“Magnetic Fields in Radiation Era”** *2nd Benasque Workshop on Modern Cosmology, Benasque, Spain (Aug 2008)*
- **“Lensing of the CMB”** *Lensing Meeting, ICG Portsmouth, UK (Jan 2008)*
- **“Challenges for Creating Magnetic Fields by Cosmic Defects”** *UK Cosmology Meeting, University College London, UK (Nov 2007)*
- **“Magnetic Fields in Radiation Era”** *Group Meeting, ICG Portsmouth, UK (Nov 2007)*
- **“Cosmic Magnetic Fields in Radiation Era”** *Workshop: “Facts & Fiction in Cosmology”, Sils Maria, Switzerland (Mar 2007)*

## Other Conferences & Schools Attended

- **Theoretical methods for non-linear cosmology TH institute**, CERN, Switzerland (Sep 2012)
- **PPC 2011: Vth Internat. Workshop on the Interconnection Between Particle Physics and Cosmology**, CERN, Switzerland (Jun 2011)
- **Testing general relativity with cosmology**, Kavli Royal Society Internat. Centre, Chicheley, UK (Feb – Mar 2011)
- **Modified Gravity on Cosmological Scales**, ICG Portsmouth, UK (Jun 2008)
- **43rd Rencontres de Moriond**, La Thuile, Italy (Mar 2008)
- **SIGRAV School: “The Dark Side of the Universe”**, Como, Italy (May 2007)

22nd April 2013
